## KIDNEY "CURES"

Liquid Kidney Remedies are Full of Alcohol.

Kidney-Wort Tablets Use No Drop of Alcohol.

The "Get-Well-Quick" kidney remedies are like the "Get-Rich-Quick" schemes, full of bitterness in the end.

Alcohol enters largely into their composition. Their immediate deceptive bracing effect is due to the alcohol, and so is the depression, the increase in rheumatism, and the irritation of the entire urinary tract that follows.

Don't take the remedy that will free you from pain quickest, but the scientific modern remedy that will thoroughly free you from your disease. Liquid kidney remedies can only give temporary relief. Alcohol intensifies all kidney and rheuma-Tablets are as superior to the old-fashioned liquid prepared kidney remedies as antitoxin is superior to the ineffective diptheria treatment of fifty years ago. between Spring Wheat and Winter Wheat flours were generally known, no intelligent family, able to procure the former, would fail to do so. Flour is the article most frequently used in kitchens, yet comparatively few people know much about it. To most housekeepers flour is flour. Those who buy their bread, cake and pastry ready made, are still further away from knowing what they are eating. The standard flour of the world, made of Hard Spring Wheat, is Pillsbury's Best.
